## Mission Statement

Our mission is to become the pre-eminent provider of integrated financial and administrative outsourcing solutions to the SME financial services sector.

## Core Values

### Integrity

Integrity is the cornerstone of all that we do. We will never be involved in any aspect of business that may compromise our commitment to achieving our mission.

### Transparency

We will be totally transparent in all our business dealings save for any conflicts with matters of confidentiality.

### Collegiate

We will strive to build a professional environment with an emphasis on teamwork and not the individual.

### Quality

We will endeavour to deliver quality at all times.
